

## Round Trip From Poston Mill Park Via Peterchurch

Approximately 3½ miles

From the entrance to the site, turn left along the grass verge towards Peterchurch.

Opposite the Bus stop on the other side of the road, cross the road and climb the bank to the stile.

Over the stile and turn right, head straight up the hill and head for the top stile.

Over the stile and follow the field diagonally to the left.

Turn left along the tarmac track (magnificent views of the Golden Valley), over the cattle grid and bear left where the track forks,

(level for a distance) up to the entrance of Pentwyn.

**Note that the tarmac track is not a public footpath but may be used by  
kind permission of the land owner.**

Here the public footpath has diverted round the house.

Keeping the fence on your left pass to the other side of the house and down a steep bank to a stile.

Turn sharp right at Cattle grid and then left over a stile to follow round the boundary of the property.

At the end of the garden fence bear right up to a stepped stile.

Descend a slope and at the bottom turn left to a metal gate. (Do not cross the stream).

Go through and continue downhill until you pass a house on your right (Slade farm).

Continue along the tarmac lane.

At the junction turn left and continue passed the houses of 'Crossway' to the cross roads with the B4348 (Peterchurch is to the right).

Cross over – signed to Urishay and continue until a road junction to the right. Turn left at the junction and pass through a gate onto a track (bridleway).

At the end of this track you will see a wooden bridge over Tenant Brook.

Cross this and turn immediately left. Keep the brook course and field boundary on your left and continue, climbing such obstacles as you meet,

continue until you see Poston Court Farm buildings to your left. Continue straight forward to the next hedgerow and gate. Go through this but ignore the footbridge

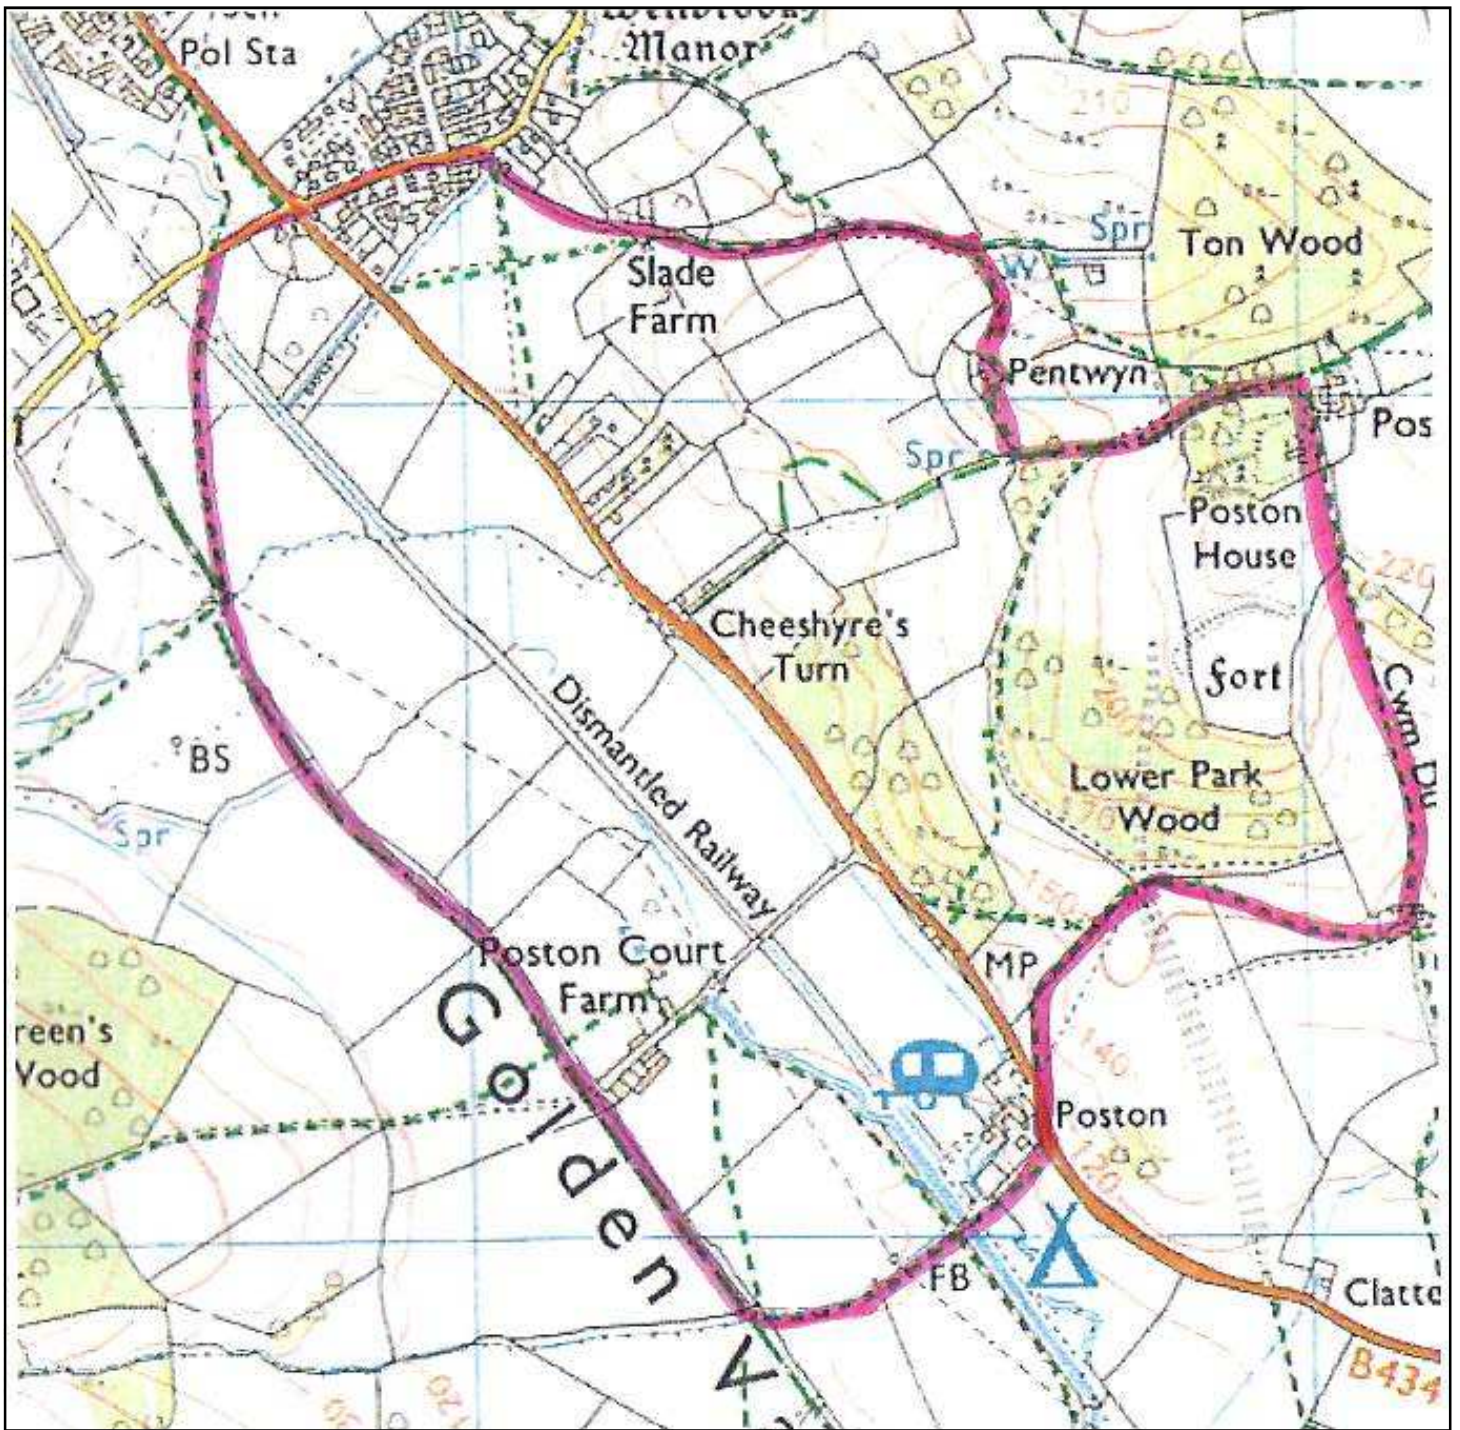

to your left. A couple of yards further on there is a stile on your left.

Cross this and immediately through a gate.

Walk forward with the brook on your left along the field edge and continue forward across the bridge over the river Dore into Poston Mill Park.
