Poston Mill is a holiday Home and touring park and offers Self Catering through Poston Mill Holidays.

This area of West Herefordshire known locally as The Golden Valley, winds its way from Dorstone to Ewyas Harold along the length of the River Dore. With the picturesque back drop of The Black Mountains stretching out in the distance, lush water meadows and acres of trees there is a magical feel that you just can't explain, it has to be experienced to be believed.

The prolific history of the area is famous for many things including; Arthur's Stone just outside Dorstone, a Neolithic chamber tomb and Herefordshire's oldest man made structure.

Dore Abbey, a former medieval Cistercian monastery has a summer programme of musical concerts and nearby Bacton church has the monument to Blanche Parry the Lady in waiting to Queen Elizabeth I.

Ewyas Harold Castle, just one of the many examples of a motte and Bailey scattered along the Welsh border.

Share our little piece of Heaven and create your own memories whilst exploring this exciting place that time forgot but with all the luxury of 4 star accommodation.
